

The XML parser

Helper class to include
binary data inside XML
strings using "Base64 encoding".

```
graph LR; A[Helper class to include binary data inside XML strings using "Base64 encoding".] --> B[The XML parser];
```

A diagram consisting of two rectangular boxes. The box on the left is white with a black border and contains the text "The XML parser". The box on the right is light gray with a black border and contains the text "Helper class to include binary data inside XML strings using 'Base64 encoding'.". A blue arrow points from the right side of the gray box to the left side of the white box.
