The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text "The XML parser". The box on the right is light gray with a black border and contains the text "Parsing XML files/strings to an XMLNode structure and Rendering XMLNode's to files/string.". A blue arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the functions to the parser itself.
